

A romantic wedding photograph of a couple embracing on a grassy cliff overlooking the ocean. The bride is wearing a white strapless dress and a pearl necklace, and the groom is wearing a dark suit. They are both smiling and looking at each other. The background is a vast blue ocean under a clear sky.

MY PHOTOGRAPHY

I love black&white photography for portraits and intimate moments. I adore color for moments of celebration. Nothing feels more exciting than to immortalize two hearts that love each other deeply.

MY PROMISE

MEET ANNETTE

Photography came into my life at the beginning of this century, with the first digital cameras. This beautiful form of art has offered me daily growth and happiness. Sharing this art with couples who have decided to love each other for a lifetime is a rewarding experience.

Photographing your destination wedding is a unique journey for every couple, and it is 100% about love.

It's an honor when a couple entrusts me with the beginning of their lives together.

Annette

“Annette made the whole day revolve around us. We felt like movie stars. I can't stop looking at the pictures. Thank you, Annette, for making our elopement so wonderful...”

THE LOCATIONS

I have selected a variety of unique locations, situated in different parts on the European continent. I'm convinced they make the most beautiful settings for exchanging your vows, and they are the perfect backdrop for your wedding dress.

These locations are my personal favorites, and I have visited them many times over the years. Of course you are welcome to make suggestions to other parts in the world. I'm always open for your ideas. Our beautiful planet has numerous hidden secret places. It would be such a shame not showing them to me.

Spain

Lanzarote and Fuerteventura are beautiful authentic islands in the Atlantic Ocean. It is Spanish territory, but the volcanic origin of these two islands make every elopement unique.

YOUR DAY

01

Make-up and
dressing

My camera captures all the excitement: The dress hanging in a prominent place, the application of make-up, the writing / repeating of the vows, the putting on of shiny shoes, the bridal bouquet, the rings... You'll have so much time to actually be together.

02

Ceremony shoot

We drive, walk, fly or climb to that special place that takes your breath away. A gentle tension of happiness will be felt. Vows will be exchanged, spoken preciously, going straight to the heart. You explore, eat, laugh, drink champagne, and get a little lost in all that happiness.

03

Love shoot

A 'Love Shoot' will follow. Whether you are running along the coastline, or embracing in a flower-filled meadow, or strolling hand in hand through the streets of a historical town, passion will be palpable.

KIND *Words*

“IT WAS A WONDERFUL
JOURNEY!”

We have the best memories when we think back of our destination wedding. Annette was so relaxed, and made us laugh - and laughing makes everybody happy. I'm in love with our pictures. I'm looking at them over and over again.

Canilla & Enri

“SHE WAS AMAZING TO WORK
WITH!”

We could see Annette was passionate. She gave us great posing tips and showed us from time to time some results. The more photos we saw, the more we loved posing. It was a lovable, tender experience. Annette gave us a wonderful day we will never forget.

FAQ

Do You Charge By The Hour?

No, I don't. You hire me for the full day, everything included. If unexpected things happen that will take more of my time, I'll consider this as a part of my job. Your elopement is my mission, and I go all the way until the job is done.

Do You Edit All The Photos?

Yes, I do. Editing, how small and unnoticeable it may look, brings every picture to a higher level.

Can I Make The Selection Of The Photos?

Of course you can. I curate first, but I don't choose your 'number one' photos. I leave that up to you as you are the stars of your elopement.

How Many Photos Will I Receive And How Long Will It Take To Get Them?

You will receive between 600 and 800 photos for a full day of elopement coverage (up to 10 hours). I'll deliver a preview 48 hours after your elopement via an online gallery. After 6 - 8 weeks, all your images will be ready and send to you. You'll also receive the option to order albums and other products.

Can I Bring My Friends And Family?

Yes, you can. However, to keep the intimacy of you elopement safe there is a limit to 10 people. If you decide to invite more people it will look more like a small classical wedding. That is absolutely great of course, but I'm more specialized in elopements.

“I enjoyed the experience
and I love the photos”

I was a little nervous, but Annette started showing her pictures in the little viewing window of her camera. "This is beautiful, you beautiful bride," she smiled back. The pictures were so incredible and made me feel like we were at a red carpet event. So I decided to let it all go and be as relaxed as Annette. It was an amazing day!

Your pictures are a warm memory, Annette. Thank you!
